Commitment to transparency on potential conflicts of interest: BNP Paribas

While BNP Paribas (“BNPP”) holds a material ownership interest in the various Exane entities, Exane and BNPP have entered into an agreement to maintain the independence of Exane’s research reports from BNPP. These research reports are published under the brand name “Exane BNP Paribas”. Nevertheless, for the sake of transparency, we separately identify potential conflicts of interest with BNPP regarding the company/(ies) covered by this research document.

The latest company-specific disclosures, valuation methodologies and risks to investment case are available on www.exane.com/toolbox/compliance if they are not in this document.

Analyst location: As per contact details, analysts are based in the following locations: London, UK for telephone numbers commencing +44; Paris, France +33; Frankfurt, Germany +49; Geneva, Switzerland +41; Madrid, Spain +34; Milan, Italy +39; New York, USA +1; Singapore +65; Stockholm, Sweden +46.

Important notice: Please refer to our complete compliance page available on www.exane.com/compliance that includes Exane's policy for managing conflicts of interest, Rating definitions and complete disclosures per company.

Exane is independent of BNP Paribas (BNPP) and the agreement between the two companies is structured to guarantee the independence of Exane's research, published under the brand name "Exane BNP Paribas". Nevertheless, to respect a principle of transparency, we separately identify potential conflicts of interest with BNPP regarding the company/(ies) covered by this research document.

This research is produced by one or more of EXANE SA, EXANE Limited and Exane Inc (collectively referred to as "EXANE"). EXANE SA is authorized by the Autorité de Contrôle Prudentiel et de Résolution and regulated by the Autorité des Marchés Financiers ("AMF"). EXANE Limited is authorized and regulated by the Financial Conduct Authority. Exane Inc is registered and regulated by the Financial Industry Regulatory Authority ("FINRA"). In accordance with the requirements of Financial Conduct Authority COBS 12.2.3R and associated guidance, of article 313-20 of the AMF Règlement Général, and of FINRA Rule 2711, Exane's policy for managing conflicts of interest in relation to investment research is published on Exane's web site (www.exane.com). Exane also follows the guidelines described in the code of conduct of the Association Française des Entreprises d'Investissement ("AFEI") on managing conflicts of interest in the field of investment research. This code of conduct is available on Exane's web site (www.exane.com).

This research is solely for the private information of the recipients. All information contained in this research report has been compiled from sources believed to be reliable. However, no representation or warranty, express or implied, is made with respect to the completeness or accuracy of its contents, and it is not to be relied upon as such. Opinions contained in this research report represent Exane's current opinions on the date of the report only. Exane is not soliciting an action based upon it, and under no circumstances is it to be used or considered as an offer to sell, or a solicitation of any offer to buy.

While Exane endeavours to update its research reports from time to time, there may be legal and/or other reasons why Exane cannot do so and, accordingly, Exane disclaims any obligation to do so.

This report is provided solely for the information of professional investors who are expected to make their own investment decisions without undue reliance on this report and Exane accepts no liability whatsoever for any direct or consequential loss arising from any use of this report or its contents.

ANALYST CERTIFICATION: all of the views expressed in the research report accurately reflect the research analyst's personal views about any and all of the subject securities or issuers of this research report. No part of the research analyst's compensation was, is, or will be, directly or indirectly, related to the specific recommendations or views expressed by the research analyst in this research report.

This report may not be reproduced, distributed or published by any recipient for any purpose. Any United States person wishing to obtain further information or to effect a transaction in any security discussed in this report should do so only through Exane Inc., which has distributed this report in the United States and, subject to the above, accepts responsibility for its contents.

BNP PARIBAS has acquired an interest in VERNER INVESTISSEMENTS the parent company of EXANE. VERNER INVESTISSEMENTS is controlled by the management of EXANE. BNP PARIBAS's voting rights as a shareholder of VERNER INVESTISSEMENTS will be limited to 40% of overall voting rights of VERNER INVESTISSEMENTS.

Exane BNP Paribas research is also available on the website (www.exanebnpparibas-equities.com) as well as on Bloomberg (EXEQ), First Call, Reuters and Capital IQ.
